## 4. Add an international price zone to activate shipping outside Belgium

The screenshot shows the bpost shipping manager interface. The top navigation bar includes the bpost logo, the text "shipping manager", and a menu with "Dashboard", "Orders", "Pick-up requests", and "Admin" (highlighted in yellow). A user greeting "Welcome STIGMI" and links for "Log out" and "Help" are also present.

The main content area is titled "107447 - Stigmi" and contains a tabbed interface with "Delivery methods" selected. The table below lists the delivery methods and their visibility status:

ACTIO	DELIVERY METHOD	VISIBILITY
	Parcel machine	Visible
	home or office	Visible
	international home or office	Visible
	pick-up point	Visible

A red arrow points from the "international home or office" row to a callout box containing the text "Edit price zone for international delivery".

At the bottom of the interface, there are two buttons: "Save configuration" and "Back to shop overview".

The screenshot displays the bpost shipping manager interface. At the top left is the bpost logo. The top right shows the text 'shipping manager'. Below this is a navigation bar with 'Dashboard', 'Orders', 'Pick-up requests', and 'Admin' (highlighted). To the right of the navigation bar are links for 'Welcome STIGMI', 'Log out', and 'Help'. The main content area shows '107447 - Stigmi' and a series of tabs: 'Sender addresses', 'Pick-up addresses', 'Receiver addresses', 'General Settings', 'Delivery methods' (highlighted), and 'Layout'. A modal dialog box is open, titled 'Price zone configuration: international home or office'. Inside the dialog, there is a table with the following structure:

NAME	> 0 - = 2 KG	> 2 - = 5 KG	> 5 - = 10 KG	> 10 - = 20 KG	> 20 - = 30 KG	COUNTRIES

A yellow button labeled 'Add price zone' is positioned to the right of the table, with a red arrow pointing to it. Below the dialog box, there are two buttons: 'Save configuration' and 'Back to shop overview'.
